
PATH International Instructor Workshop & Onsite Registered Certification

Presented by **Naples Therapeutic Riding Center**

PATH International Certification Process

PATH International offers three levels of instructor certification for therapeutic riding: registered, advanced and master. This instructor workshop and/or registered certification is for the registered level.

In order to become a PATH International certified instructor, a candidate must successfully complete the two phases of the registered certification process. For current information on this process, please refer to the booklets provided on the PATH International website at www.pathintl.org under the *Certification* drop down menu. Any questions regarding *phase one and two* should be directed to the PATH International office,.
